LABOUR 'IS TURNING FASCIST'

LEADER: Corbyn

A LABOUR mayor has resigned from the party, claiming it has become the "nasty party" and is "marching towards fascism at a steady pace".

Mayor of Hartlepool Allan Barclay yesterday wrote that he was resigning from the Labour Party with immediate effect and said it had become a "party of anti-Semites, racists and homophobes".

The 65-year-old said he had first become involved with Labour aged 14 and joined the party in the early 1990s after serving in the Royal Engineers.

Mr Barclay said he felt the party was now "unrecognisable" from when he first joined and had been "infiltrated" by people who do not hold Labour values.

He added: "My fear has become a reality that the Labour Party has become a party of anti-Semitists, racists and homophobes…it has indeed become the nasty party.

"As an armed forces veteran I fear the Labour Party is at a dark turning point and marching towards fascism at a steady pace.

"I've witnessed anti-Semitism, racism, homophobia, disability discrimination and a general disrespect towards others."

In his resignation letter, sent to leader Jeremy Corbyn, deputy leader Tom Watson and party general secretary Jennie Formby, Mr Barclay said the only way for Labour to become respectable again was for Mr Corbyn to resign and Corbynites to be removed from the party."

Mr Barclay was deselected by Labour members last year to stand again as the party's candidate for the town's Manor House ward.

MP calls for £50 diversity

THE new £50 note should feature someone from a more diverse background, an MP has said, amid fears of a disproportionate number of "historic white men" on banknotes.

Tory MP Helen Grant of Maidstone and The Weald (*above*) said it is "disappointing and very surprising" the Bank of England has so far "failed to recognise the ethnic diversity of our population on our national currency".

She said 14% of the UK's population are from a black, Asian, or minority-ethnic background, and that the national currency should do a better job of reflecting that diversity.

Speaking in the House of Commons, she said all but three of the notable individuals featured on banknotes had been "historic white men" and that there had so far been no-one from a minority.

Single use cup coffee 'slump'

AN independent coffee chain said it has seen sales fall by £250,000 since it banned single use cups last summer.

Boston Tea Party has called for major national and international brands to follow suit.

Owner Sam Roberts said it had factored the loss in takings into its plans – after it started the ban in June 2018 – and that too many operators were "putting their profits before the planet".

Rebecca Burgess, chief executive of plastic pollution campaign group City to Sea, praised BTP's "bravery".

MP KILL PLOT NAZI GROOMED TEEN BOYS

Won't face retrial over National Action

A NEO-Nazi who plotted the murder of Labour MP Rosie Cooper will not face a retrial for membership of the banned group National Action.

Jack Renshaw, 23, bought a 19ins knife to kill the West Lancs MP and a female police officer against whom he had a grudge.

The plan was scuppered by whistle-blower Robbie Mullen, who was at a meeting in a pub when Renshaw announced that he was going to kill Ms Cooper.

By SUZIE SHELDON
news@sundaysport.co.uk

Renshaw, from Skelmersdale, Lancs, had admitted making preparations to kill his local MP in 2017 and making a threat to kill police officer Victoria Henderson who was investigating him.

But he denied membership of banned extreme right-wing group National Action along with Andrew Clarke, 34, and Michal Trubini, 36, from Warrington.

A jury at the Old Bailey was unable to reach verdicts on any of the defendants following a retrial.

Mrs Justice McGowan discharged the jury after being told there was no prospect of the jury reaching any verdicts if given more time.

Renshaw has been remanded into custody and will be sentenced on May 17.

It can now be reported that Renshaw is a convicted paedophile who was jailed last June for 16 months after he groomed two underage boys online.

Jurors at Preston Crown Court last June found him guilty of four counts of inciting a child to engage in sexual activity.

The self-confessed Nazi claimed anti-fascist group Hope Not Hate wanted to discredit him and maliciously hacked his mobile phones to send messages of a sexual nature to the teenagers.

Inciting

But jurors at Preston Crown Court did not believe him and convicted him of four counts of inciting a child to engage in sexual activity.

The former leader of the British National Party youth wing set up two fake Facebook profiles and contacted the boys, aged 13 and 14, between February 2016 and January 2017.

Communicating via Facebook Messenger, Renshaw boasted to the youngsters that he was rich, could give them jobs and offered one of them £300 to spend the night with him.

He also requested intimate photographs of the pair before one of the boys reported the messages to his tutor and the police were contacted.

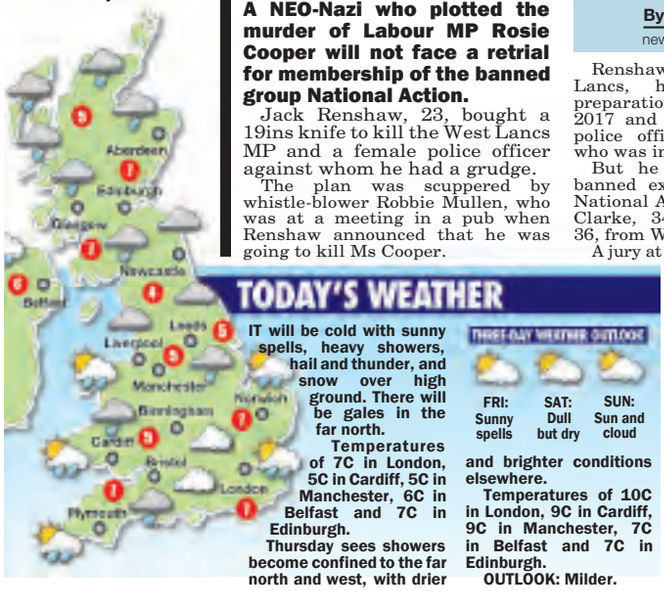

Investigations led to the seizure of two phones from Renshaw's then family address in Blackpool, Lancs.

Another two mobiles belonging to Renshaw were later recovered and showed evidence of searches for homosexual pornography.

When interviewed, he told police he was heterosexual and a virgin who did not believe in sex outside of marriage, and viewed homosexuality as "unnatural".

He went on to blame the police for putting material on his phone.

After his convictions for the child sex offences he was put on the Sex Offenders' Register for 10 years.

Telly doc's prescription for gaming 'addiction'

A GP has "prescribed" an 11-year-old boy a two-week ban from PC games – like *Fortnite* and *Minecraft*.

Dr Amir Khan, from Leeds, said he issued the advice as he was concerned about the impact gaming was having on the boy's life.

The doctor, who stars in the C5 show *GPs Behind Closed Doors*, shared the prescription on Twitter.

Cam Adair, founder of Game Quitters, said the tweet highlighted the seriousness of gaming addiction.

Dr Khan's tweet came as it was revealed the UK gaming market is now worth a record £5.7billion, while it is also estimated there are 32.4m gamers in the country.

His message had last night been retweeted more than 350 times and liked by more than 3,000 people, with many commenting that they would like a similar prescription for their child.

Los Angeles-based Mr Adair set up Game Quitters after battling an addiction to gaming that saw him playing up to 16 hours a day.

He said gaming addiction "can be devastating" and that advice to take a break was "invaluable".

Fifth stabbing in same area – man arrested

A MAN has been stabbed in the same north London area as four other people who were attacked at the weekend.

The Met Police said the man, in his 30s, was last night in a life-threatening condition in hospital.

The attack happened at 5am yesterday on Fairfield Road, Edmonton.

The victim was found in the same street as the first weekend stabbing.

A man in his 30s was yesterday arrested on suspicion of causing grievous bodily harm over the latest attack, in which victim was walking with a friend.

Police said the attacks had not been formally linked, but that the description of the knifeman was similar.

BANG OUT OF ORDER!

IN WITH A SHOUT: 'Sexy' Bercow

Mums get moist over Mr Speaker

LITTLE John Bercow – the fella that shouts "ORDER" all the time in the House of Commons – has become the most unlikely of sex symbols.

Despite a reputation for pro-European Union bias and running his half of Westminster like he owns the place, the size-challenged Speaker has nevertheless garnered some odd fans.

Women of a certain age have taken to online women's collective Mumsnet to express an unhealthy lust for the former Tory politician.

Terrified

One, who refused to give her name out of sheer embarrassment, wrote under the subject line "John Bercow – I would (probably)": "Perhaps it's the way he shouts "ORDER! ORDERRRRRRRRRRR!

"I don't know, there's just something about him. I'm being unreasonable, aren't I? blush

"I'm now terrified I'll have a name change fail and all my friends will know!"

Another commenter, referring to how Bercow orders parliamentary aides to open the Commons doors to allow MPs to leave, said: "I wouldn't have but now I would. It's the UNLOCK that does it for me. I'm not well am I?"

Bercow has annoyed all political sides during his nine-year tenure.

MEL B LESBO PUZZLE

MEL B says she has been left "perplexed" by Geri Horner's denial that the two had tongue-up-minge lesbo SEX.

Scary Spice (*right*), 43, is not happy about being "made to look like a liar" after her old bandmate released a statement calling rumours of their romp "simply not true".

A source said: "Mel is totally perplexed by Geri's denials.

"She feels Geri is making her out to be a liar.

"She said, 'It's almost as if she is trying to erase our history'."

High street has gone – to the hookers!

HOOKERS charging just a tenner for full sex and only £20 for anal are forcing businesses to close on "Britain's worst high street".

Swansea once had a bustling high street boasting luxury boutique stores and packed pubs as the Welsh city fought to become UK City of Culture.

But just 16 months later, business owners claim they have been driven out of the area by violence, gun crime, drugs and prostitution.

Locals say it is a desolate arcade of boarded-up shops, overrun by sex workers fighting it out for the best positions.

They charge £10 for sex in a dark lane behind the high street and thrifty sex people can negotiate up-the-bum action for twenty quid.

The area has been dubbed "Condom Alley" by locals – with up to 20 prostitutes operating in plain sight on the high street every night.

One local said: "This place has gone to the dogs, look you."

Bikers' protest ride over Bloody Sunday soldier's prosecution

THOUSANDS of bikers will roar into London next week to protest against the prosecution of a British soldier over Bloody Sunday.

Soldier F is to be charged with murdering two people after troops opened fire on civil rights demonstrators in Londonderry in 1972.

Some relatives of the 13 people killed have campaigned for justice.

Veterans have reacted angrily to the decision to take legal action decades after the bloodshed.

Harry Wragg, organiser of the Rolling Thunder protest ride, said: "Our argument is with the Government, not the victims of Bloody Sunday.

"Where are they pulling the evidence from, why are the British Government allowing this to happen?"

Hundreds of women go nude for 'female empowerment'

DARE TO BARE: Art that's a flash of genius

MORE than 1,300 male and female volunteers stripped naked to take part in a mass photo shoot in Valencia, Spain, by famous nude photographer Spencer Tunick.

The group gathered in the centre of the Spanish city and stripped to their birthday suit in the name of "art and female empowerment".

The New York-based photographer, who is renowned for his work with naked bodies, said the shoot was in aid of Valencia's IntraMurs cultural festival.

Participants were pictured in various positions that placed the men on the ground and the naked women standing over them – intended to represent the latter group as the "wiser of the two sexes".

"With these works there was an abstract narrative throughout – women empowerment and sort of a new beginning," explained Tunick. "Not so much equalizing the men and the women, but actually the women rising above the men as the wiser of the two sexes."

But one person who was watching the unusual display had a rather more earthy assessment, yelping: "Ooof! Teats and minges!"

DEAD NONCE CLIFFORD IS STILL GUILTY

(...and still dead)

GUILTY: Clifford and serial nonce Savile

By COLIN HURST news@sundaysport.co.uk

CELEBRITY publicist Max Clifford's conviction for sex offences has been upheld by leading judges more than a year after his death.

The case of the 74-year-old, who died while serving an eight-year prison sentence for indecent assault, was scrutinised by the Court of Appeal last month.

The court was told the PR guru denied "until his death" that he had sexually assaulted young women.

But in a ruling yesterday Lady Justice Rafferty described the case against Clifford as "strong". As she dismissed an appeal against his conviction, she said: "Nothing we heard came anywhere near imperilling the safety of his conviction."

Fantasists

Before suffering heart failure in December 2017, Clifford won the right for his fight to overturn his conviction to be heard at the Court of Appeal.

His daughter Louise continued the challenge on her late father's behalf.

Clifford, from Hersham in Surrey, was jailed in May 2014 after being convicted of a string of indecent assaults carried out between 1977 and 1984.

He had branded his accusers "fantasists" and denied the charges, but was convicted at London's Southwark Crown Court.

He was sentenced to a total of eight years on eight counts of indecent assault relating to four victims.

Sentencing Clifford after his trial, Judge Anthony Leonard said his personality and position in the public eye were the reasons his crimes were not revealed earlier.

The former celebrity agent, who had many big name clients, vowed to clear his name, claiming he was wrongly convicted.

Clifford was snared by Operation Yewtree, set up after it emerged that former DJ Jimmy Savile had been a serial nonce.

He also remains steadfastly dead.

"One way or another, Georgia is certain to be upset by this."

However, fans are certainly not upset at the leak.

AS NANNY STATE SNOOPS BRING IN PLANS TO SPY ON *YOUR* XXX-RATED FUN...

WANT TO WATCH THIS?... Your discreet enjoyment of babes like porn stiunna Emma Leigh (pictured) is under threat

KEEP YOUR PRIVATE LIFE PRIVATE!

By BARNEY SAMUELS
news@sundaysport.co.uk

THE advent of the internet was a boon for everyone who enjoys X-rated adult material.

Sexy movies became available at the push of a button – and it was all discreet.

If you wanted to watch a movie of consenting adults enjoying kinky fun, that was YOUR business.

You didn't even have to let your wife or partner know.

That's about to change…

This year, the government is introducing compulsory age verification checks for adult websites, which means you would have to prove that you're over 18 to access porn.

This might seem like a reasonable idea at first – after all, nobody wants under 18s to see adult-rated material.

But it has the potential to change not only the way we access explicit material in the UK, but also the very framework of privacy and freedom of speech in the online space.

And the scary thing is, hardly ANYONE knows it's coming!

According to YouGov, 76 per cent of all Brits and 53 per cent of the most frequent porn watchers were not aware that the block was coming.

Porn pass

So how exactly is this going to work?

Under the so-called 'UK porn block', every porn site would have to introduce age-verification software.

It means that you'd see a landing page where you have to prove that you're over 18 through a third-party service, by using the details of your government-issued ID.

That's right. To access adult material, you'll have to tell the GOVERNMENT that you're having X-rated fun.

And they'll be able to track WHAT you've been watching via, for example, your passport number, which you'll have to hand over as part of the verification process.

The alternative is to purchase a special 'porn pass' from a shop.

Either way, if you want to view porn, your name will go on a government-controlled list.

That list will be kept somewhere and there is no guarantee that list will be 100% secure.

Your private online moments will no longer be private. Your discreet enjoyment of X-rated material will be a thing of the past…

Unless…

There IS a way to enjoy adult material WITHOUT handing your name to government snoops.

It's a way that's been around since before the internet was even INVENTED.

Simply go along to your local adult store – such as Private Shops, Britain's largest chain of licensed sex shops – and buy your adult fun on DVD.

There are **NO** forms to fill in.

NOBODY will take your name and address.

You will **NOT** go on some sinister list.

It doesn't end there.

It's not just porn that'll come under the new regulations.

Adult services websites will also be covered.

Thankfully, there's a way to access adult services without needing the internet – the world-famous *Sport* classifieds section that has been a discreet marketplace for X-rated services since 1986!

Midweek Sport, Weekend Sport and *Sunday Sport* are COMMITTED to ensuring that adult material does not fall into the wrong hands.

But we're also committed to keeping **YOUR** private life **PRIVATE**.

The actor *(above)* has earned a certificate for his record of the longest career as a live action Marvel superhero.

"Me and my brother went through every possibility and we came down to badminton, non-stop.

"It was only 56 hours and we decided to not sleep, during a school week, for two days.

"Of course I was asleep by 11pm and my brother went to school and fell asleep and got sent home."

Executives are hoping that re-introducing the character Ellie Baines – Stumpy's one-time girlfriend – will lure *Britain's Got Talent* stars Ant and Dec back to the show that made them famous.

Because Ellie was played by the stunning Francoise Boufhal, who is now 30 and all grown up with 28H boobs!

The actress, model and TV presenter is from Hexham, Northumberland, a few miles up the A1 from Newcastle.

An insider said: "We've been to-ing and fro-ing for years with the idea of rebooting *Byker*, because the programme was so popular.

ON YER BYKER: Ant and Dec

"Obviously it will still be centred around kids, but it would be absolutely brilliant if we could get some of the old stars in for the odd cameo appearance.

"They're obviously very busy and Ant McPartlin has had his widely reported troubles, but getting Ant and Dec to reprise their PJ and Duncan roles, even for just one scene, would be fantastic.

Fabulous

"Getting Francoise in there as well would be fabulous because she's such a stunna!

Who's not going to tune in to that?"

Byker Grove aired between 1989 and 2006 before being axed by the BBC.

ENGLAND KEEPER PICKFORD SNAPPED OVER 'FAT C**T' JIBE

JORDAN Pickford threw punches in a pub row in his native Sunderland after his fiancee was called a 'fat c**t' and a 'slag', it has been revealed.

The Everton and England goalkeeper, who had returned to Wearside on a day off, was barracked by Newcastle fans as he drank with Megan Davison in the P's & Q's bar.

He was called 'small arms' and 'butterfingers' – but there was no sign of trouble as he posed for photographs and playfully flicked V-signs at the man who was shouting at him.

'FLIPPED': Pickford

'SLAG' TAUNT: Megan

Punches

But things turned ugly when Pickford moved on to another bar. This time his fiancee was the target of the abuse, with pubgoers calling her a 'fat c**t' and a 'slag'.

According to sources close to him, Pickford lost control after the insults and began trading punches as video footage, recorded on a mobile phone, showed him being pulled away from the bust-up.

He was eventually restrained by three men and led away.

Nobody is believed to have been hurt, but Northumbria Police confirmed on Monday they are investigating.

A source said: "Someone verbally abused Jordan's partner and he flipped.

"He went for him, but did not hit him, and the video looks worse than it actually was. The whole thing was over in six or seven seconds.

"But there is no sugar-coating it, Jordan had been drinking and that probably didn't help in that he's reacted to the abuse.

"He is not happy that he got himself in that situation."

Robinson's in YouTube clampdown

YOUTUBE has clamped down on Tommy Robinson by putting a number of restrictions on his account but stopped short of banning the activist completely despite mounting pressure to do so.

The Google-owned platform has faced calls to follow Facebook and Instagram in permanently banning Robinson, 36, whose real name is Stephen Yaxley-Lennon.

YouTube said that although his videos are not illegal, it decided to apply tougher treatment in response to users flagging his content as potentially violating its rules against hate speech and violent extremism.

The restrictions mean that all of the activist's videos now come with a content warning and users can no longer comment, suggest or like the videos.

Robinson (*above*), who has more than 387,000 followers on his YouTube channel, will also be blocked from live streaming.

SUSPICIOUS Brits in relationships have been taking to their partner's phones in an effort to expose cheating, with over a third admitting they've done it, new research shows.

In fact, four in 10 of those who have done it say they sneak away with their significant other's phone once a week.

And 13 per cent went so far as to use their sleeping partner's finger print to unlock their phone or tablet.

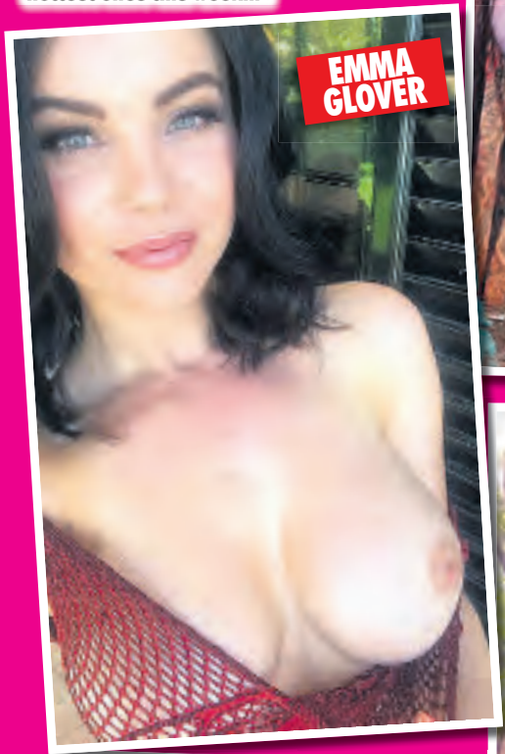

The survey, by law firm Hodge, Jones & Allen, was created after an increasing number of divorce cases cited information found on a partner's device as examples of adultery.

It went on to find that women were slightly more likely to have a peek at their partner's private communications.

FINGERING TUBE GIRL IS ON HER TOES

DIDDLE DENIAL: Hinkson says she was not wking**

Warrant issued after she skips court

A WOMAN who pleasured herself on a Tube train for 10 minutes but claimed she was "itching a rash" is being hunted by police.

By COLIN HURST news@sundaysport.co.uk

Sarah Hinkson, 37, draped herself across four seats on the Hammersmith and City line while touching herself and moaning aloud.

Passenger Anthony Burton told a court Hinkson was groaning and stamping her feet as her hands moved in a gyratory fashion.

Hinkson's hand was still down her trousers when she was arrested by police officers at King's Cross station.

Mr Burton told City of London Magistrates he boarded at Paddington.

He said: "I was suddenly aware of a banging noise and I thought it was something mechanical but I noticed that to my right there was a lady who was laying out across three or four seats.

"She was banging her foot against the seat or the glass, which was making the noise.

"Her boots were on the floor beside her and the next thing I noticed about her was her hand and where her hand was – all I could see of her hand was the top of her wrist area because the rest of her hand was in her trousers.

"It was around her crotch, it was blatantly obvious which part of her body it was. Her hands were moving back and forth in a sort of gyratory movement.

She wasn't saying anything but there were moans and groans of a sexual nature."

Mr Burton told the court that he contacted the police after seeing there were children nearby at risk of seeing Hinkson's actions.

Police attended at King's Cross station approximately 10 minutes after Mr Burton first saw Hinkson, where she was arrested.

The court heard the mother-of-one was mostly unresponsive in her interview but denied masturbating.

When asked what she was doing, Hinkson told officers: "Rash on my inner thigh, I was scratching a rash on my inner thigh. It comes and goes"

Hinkson, of Acton, denied but was convicted of outraging public decency.

She did not attend court and a warrant has been issued for her arrest.

W*nk in class teacher avoids jail sentence

A SUPPLY teacher who was caught masturbating in class will avoid jail.

Tracey Abraham, 41, was found guilty of public indecency after pleading no contest in court.

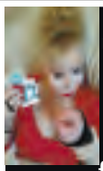

He was sentenced to 180 days in prison, but it was suspended in favour of five years' probation along with an £800 fine.

Students at Creekside Middle School in Fairfield reported "suspicious" behaviour was taking place behind the teacher's desk on January 8.

Administrators removed Abraham upon receiving the report.

His defence had argued he wasn't competent to stand trial because he is a halfwit.

Now the school are being asked why he was employed as a supply teacher in the first place.

Midweek Sport ALWAYS HOME OF TOPLESS BABES

#H

MEGABOOBED Jenny McClair has a very naughty sex fantasy – she loves being dominated in bed.

The sexy stunna – who boasts 36F palm-stretchers – is on the lookout for a confident, dominant master to serve his EVERY sexual demand.

Jenny, originally from Czech Republic but now living in Colchester, Essex, also wants to build a DUNGEON in her basement for kinky sex.

The 28-year-old told *Midweek Sport*: "I get so turned on when a man is demanding and rough with me – just 'open your legs and do what you're told' sort of sex.

"However, for me sex starts in the brain. When I start to feel that connection, and there's the trust, I'll give myself to him fully to be his plaything.

"He'd start off seducing me gently. Then, when he knows I'm aroused and nice and wet for him, he'd take control of me.

"I want him to give me orders and tell me to get on my knees and suck his cock. I love to give deep throat and I've no gag reflex, which certainly helps.

"Then he'd flip me over and pull my hair while he takes me doggy, thrusting in and out of me deeply.

"I love really filthy sex with no boundaries. No asking nicely for it, just him having his wicked way with me.

"I'd even like my own dungeon so we can have a private little place to fulfil all our fantasies.

"I'd have racks to tie me up to, paddles, whips and chains and all sorts!"

Cops discover bodily fluids in classroom

By ROY DURRIDGE
news@sundaysport.co.uk

A TEACHER has been arrested for having sex with a 17-year-old male student after investigators found a puddle of the lad's SEMEN in a classroom.

Edna Longoria, 39, was charged with having an improper relationship with the student after he dobbed her in to the school authorities.

The health science teacher turned herself in to police after the lad notified administrators of their alleged sexual relationship.

Nature

The teenager told cops he had engaged in many sexual encounters with Longoria in a classroom.

Investigators "located multiple biological fluids" from the classroom where the boy said the sex took place, the arrest paper states.

The lad told police the alleged encounters started on February 22 and got out of control.

INAPPROPRIATE: Longoria and school where she taught

Police also obtained texts and Snapchat messages between the pair that they described as "inappropriate" and contained "material of sexual nature".

Longoria was placed on administrative leave following her arrest, and was later released from jail on bail.

The Veterans' Memorial High School's district in Mission, Texas, issued a statement saying: "The safety and well-being of students is always a top priority.

"Our officials take seriously all allegations that may affect the safety and well-being of our students."

Hooker fury at tours ban

AMSTERDAM'S plans to scrap tours of its infamous red light district has come under fire – from PROSTITUTES.

Sex workers claim the guided tours are good for business and help educate prospective punters on how to treat them with respect.

Dutch authorities say the tours contribute to congestion in the narrow, canal-side streets where scantily-clad sex workers sit behind windows to attract customers.

But sex workers' union Proud says the ban will lead to mayhem.

One, who calls herself Velvet, said: "With no guides people will wander into the area themselves.

"They'll gawk at the women in the windows and take photos because there is no one to inform them how to behave or what the rules are."

NO-KNIX LAUREN SHOWS OFF HER RUM!

Beauty covers privates with a Bacardi bottle

FANNY FUN: Lauren loves to shock and topless on holiday *(right)*

BRAZEN *Celebrity Big Brother* curiosity Lauren Harries shocked with her latest X-rated photo shoot.

The reality TV star posted an Instagram pic of herself with her sculpted fanny concealed only by a bottle of Bacardi RUM!

Intimate

After finding fame again, Lauren, 41, hasn't stopped trying to cling on to the limelight.

With her legs spread open, Lauren put on a very intimate display as she wore nothing but a skimpy top with the word 'Sex' written across her chest.

She is also seen opening her legs while covering her privates with a box of red roses and a small bottle of Bacardi.

The babe ditched her bra as she posed in the T-shirt, allowing her nips to poke through the thin material.

Captioning the image, she wrote to her 9,000 followers: "Haters make me famous."

One impressed fan commented: "I wish my girl waited for me like this after a long day at work."

Miss axed in naked selfie row

A TEACHER was fired when an old topless selfie that she sent to a boyfriend surfaced in the hands of a pupil.

Lauren Miranda, 25 (*above*), was axed after a student somehow obtained the image of the Maths Miss.

Officials chastised Miranda over the image, which was sent to her then-partner – another teacher at a different school.

Then they fired her for not being a proper school "role model".

She said the image was obtained without her consent – and that there was nothing offensive about the image anyway.

"It's pure," she said of the image that shows her breasts. "I'm getting make up in one hand, and I'm taking a picture in the other."

Miranda said she had previously sent the photo to the former flame and had no idea how the student got hold of it.

She has now filed a £2.5 million lawsuit in Long Island, New York.

COPS FINGER NIPSEY KILLER

SHOT: Nipsey

WANTED: Holder

POLICE investigating the fatal shooting of Grammy-nominated rapper Nipsey Hussle have identified a suspect.

Eric Holder, 29, is wanted on suspicion of murder, the Los Angeles Police said.

He was last seen in a car driven by an unidentified woman moments after the shooting in south LA, police added.

On Monday, the coroner confirmed Hussle, whose real name is Ermias Asghedom, died from gunshot wounds to the head and chest.

The musician, 33, was shot outside his clothing shop on Sunday and was later declared dead. Two other people were shot but survived.

The death was certified as a homicide, the coroner added.

Fans gathered outside Hussle's Marathon Clothing store for a vigil on Monday night where police said "chaos" broke out among mourners.

Several were injured in the fracas but reports stating gunshots were fired "do not appear to be accurate", the LAPD said.

Beyonce was among those to pay tribute to Hussle, who was nominated for the best rap album Grammy earlier this year for *Victory Lap*.

She shared a childhood picture of Hussle to Instagram, along with the caption: "I'm praying with every ounce of my heart for your family. Rest In Peace, Nipsey."

Holder is still at large.

Teacher jailed for pupil sex

A TEACHER who was on probation after having sex with a student has been sentenced to jail.

Wendy Fox, 38 (*above*), received nine years in prison after her community supervision was revoked by a judge.

Evidence showed Fox had not complied with offender treatment programme, and had been given weekend jail time for failing to complete her probation terms up to that point.

Fox had initially been given eight years' community supervision on July 6, 2012, after pleading guilty to having an improper relationship between an educator and a student.

She was ordered to complete 240 hours of community service, pay supervision fees, and complete a sex offender treatment programme.

Fox, of Wichita, Iowa, received jail time as part of a modified supervision, and the community service was waived.

A DRUNK driver told the cop who arrested him he had "a tight butthole".

The officer had pulled over Matthew Luken, 24, for speeding.

In his arrest report, the officer wrote: "I asked if he had had any drinks, he replied he had 4-6 drinks.

"He started laughing for no reason. I asked why he was laughing and he stated that his butthole is tight."

Luken, from Lake County, Florida, was charged with drink driving.

LESS OF YOUR LIP!

Cheeky Olivia fans ogle Love Island babe's camel toe

OL FIRE! Fans made some fanny comments

By GRACE HOOPER news@sundaysport.co.uk

***LOVE Island* fans drooled over pin-up Olivia Buckland's barely covered MINGE.**

The stunna's sex lips were on display as she hit the beach in Barbados with hubby Alex Bowen.

Olivia, 25, was snapped wearing a barely-there gold bikini, which quite clearly hugged closely to her camel's toe.

Every angle was sensational as she showed off her pert bum in bottoms with little bows tied at each hip.

Armed with a bottle of sun lotion, the TV personality lathered her inked body as she protected her skin from burning.

Naughty

Soaked in highs of sizzling 29 degrees, the blonde reality star kept cool in the roasting conditions by tying her golden locks into a half updo hairstyle.

Her daily trip out in her bikini during her holiday came just days after she was fat shamed by a beach vendor and took to Twitter to share her outrage over the incident.

She posted: "Wow-www so one of the guys who runs the jet skis out here just thought it fine to tell me I had put on weight & that I needed to watch myself."

But her enviable look drew naughty comments from fans posting online about her love lips being so promimently on display beneath her costume.

One wrote: "Those lips... and those lips."

Another cheekily commented: "Can anyone here lip read?"

BURGER ME!

£700 whopper goes on sale

A HOTEL in Japan is set to honour its incoming Emperor with a new three kilogram, gold-dusted burger.

The Oak Door steakhouse at the Grand Hyatt Toyko will mark the ascension of Crown Prince Naruhito with the huge 25cm wide, 15cm tall "Golden Giant Burger".

The Crown Prince is the eldest son of Emperor Akihito, 85, who will be the country's first monarch to abdicate in almost 200 years.

The huge meal – made with prime wagyu beef, from cows fed on maize to give a richer flavour – is served with a bottle of wine and designed for sharing between six to eight people with an equally hefty price tag of £700.

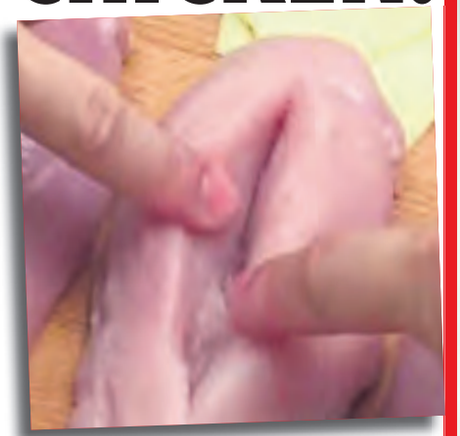

Customers will enjoy a 'wagyu' burger with foie gras and shaved black truffles wedged in the golden bun.

It's set to go on sale to mark the Japanese government unveiling the name of the 248th Imperial era, and will run until the start of June.

Emperor Akihito will quit the throne on April 30.

THAT'S A FANNY WAY TO COOK A CHICKEN!

AN online cooking lesson has turned social media upside down after a stuffed chicken dish resembled a shaven MINGE.

The two-minute instructional, shared by popular Facebook page Chefclub, was for a Chicken Cordon Bleu.

But people on Facebook reckoned the stuffed chicken dish resembled a vagina.

"I have a dirty mind I think," Gavon Smit wrote.

But he wasn't alone in airing his fanny thoughts.

Everything from the way the chicken was cut to the pouring of the white sauce was up for discussion.

Vile

"The finger in the slit is so f**king vile I don't care what comes after it," model Chrissy Teigen commented on Twitter.

Others pointed out there wasn't "an ounce of seasoning".

It's not the first time that minge imagery has intruded on a cooking show.

Sixties TV star Fanny Cradock's husband Johnnie *(below)* said during one broadcast: "May all your doughnuts turn out like Fanny's."

Ex nicked over sex pics

A WOMAN is accused of sending nude photos of her ex-boyfriend to several of his friends.

Police say Nicole Olsen, 29, sent the photographs to many of her ex's contacts, which included minors.

She's also accused of transferring money from one of his accounts to hers using his mobile phone.

Olsen, from Boise, Idaho, has been charged with video voyeurism, fraud and theft.

She was originally placed in custody on Saturday but has since posted bail.

Olsen is due to make her first court appearance this week.

SEXY Kitty Lea has a secret fantasy – having sex on a tube train!

The 32DD stunna, from Lincoln, also admits she has a thing for KINKY porn, GIRL-ON-GIRL action and also dreams of enjoying PUBLIC SEX.

The 26-year-old said: "I've always kissed women and it's not something that bothers me.

"I don't think things like, 'Oh I can't touch a girl because she's the same sex as me' – that's just stupid.

"I like to see a beautiful woman. I love looking at girls' boobies, it's one of my new hobbies!

"And I like to see what girls are out there, what they've got to offer.

"I once had a threesome with my best friend and a celebrity. We went out to a party, got absolutely hammered and met loads of famous people.

"Then we met the celebrity guy in question, and one thing led to another."

Kitty added: "I'd really like to do something like that on the Tube. It would be fun – if the train was empty."

When asked how she'd describe herself in the sack, Kitty said: "I'm a pussycat!

"I'm not scary enough to be a tiger, but I'd like to be.

"However, I do enjoy kinky stuff."

Boffins want to ban sex in space

TO BOLDLY NO!

SEX will be banned in outer space if scientists get their way.

They want governments to bring in the rule – until it is safe to give birth without a child having to live its whole life in orbit.

It would be impossible for a baby born in space to return to Earth as it would be killed by gravity, say researchers at Asgardia, the world's first "space nation".

Asgardia's warning comes amid talk of colonies being set up on the Moon or Mars in the next few years.

Astronauts are also spending longer periods of time on the International Space Station, 250 miles above our planet.

Crushed

Human skeletons, cardiovascular systems and muscles have developed to thrive in the gravitational pull of Earth.

On Mars, it is 38 per cent of the Earth's, so if you weigh 100lbs on Earth, you would weigh 38lbs on Mars.

On the Moon, you would weigh just 16lbs.

Scientists say any child conceived on the planets would have weaker bones and be crushed on Earth.

Professor Floris Wuyts, researcher at Antwerp University and Asgardia Minister of Science, said: "Artificial gravity (AG) is most likely the key factor to success, but the big question remains which level of AG is needed.

"Asgardia aims at solving this issue."

Asgardia, which has leading politicians and scientists as members, plans to set up habitable platforms in space and build settlements on the Moon.

It is due to hold a conference next month in Vienna, Austria.

Cop in sex pics bribe case axed

A COP repeatedly had sex with a female suspect he'd arrested and promised leniency to if she also gave him nude photos of herself, it is claimed.

Bryant Thorpe, 31 (*above*), was arrested last week just a day after he was fired.

He was booked on charges of misconduct in office and accepting bribes, before being released an hour later.

Arrest warrants accuse Thorpe of a scheme of sex for leniency that went on for several months in 2018.

In September Thorpe, of Chester, South Carolina, arrested a suspect for filing a false police report and harassment.

During December he requested nude pics from her and they had sex.

A police report says: "Thorpe took a reward from the victim in that he requested nude or inappropriate photos from her and had her perform sexual acts on him in exchange for implied leniency on criminal charges."

Fact me!

MOST people in the 18th Century only had a proper wash twice a year.

Youth footie team's orgy party horror

A FOOTBALL team unwittingly rented out its clubhouse for a sex orgy that took place while the Under-13 youth team was out on the pitch.

Parents and managers at the club in the small town of Wetter, near Dortmund, Germany, were shocked by the debauchery, which has led to a legal battle with the tenant.

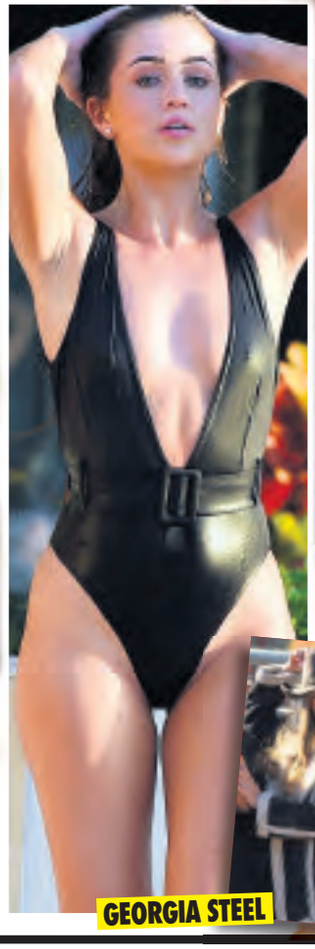

Walter-Julius Stolte rented the FC Wetter clubhouse in mid-March for what he claimed was a bachelor's party.

His guests were invited to "not only a fantastic buffet and an extensive selection of drinks", but also "ample opportunity for unadulterated dirty fun".

Two days after the alleged party, the club management met Stolte to reach an agreement to end the contract, but the renter refused to cancel it.

Sexy celebs wrangle steers on ranch for new reality TV show

GEORGIA STEEL

TANYA BARDSLEY

COURTNEY GREEN

FANS of Alan Partridge will no doubt remember the hapless telly host desperately trying to interest a TV executive with a list of bizarre new show ideas.

***Youth Hostelling With Chris Eubank* and *Inner City Sumo* stand out as classics.**

But those ideas, comedy gold at the time, now seem small potatoes alongside some of the real shows that are turning up.

Take *Celebs on the Ranch*.

What's that?

Well, it's exactly what it says on the tin.

This reality show takes place on a ranch in Arizona, USA where the stars rode up for ten days of filming.

And – like *Celebs on the Farm* – the show is presented by comedian Stephen Bailey.

In essence, the celebs give up their glitzy lifestyles to get down and dirty on the American farm.

Expect to see them mucking out, moving manure, saddling up and riding horses and pretty much doing normal day-to-day activities expected of a cowpoke.

Newbie ranch hands include camp dancer Louie Spence and The Wanted's Siva.

Nope, not a fking clue.**

CELEBS ON THE RANCH – 5STAR, MONDAY, 9PM

But these reality C-listers are joined by some sexy blart – including *TOWIE* babe Chloe Meadows, *Love Island* sexpot Georgia Steel and uber-WAG Tanya Bardsley.

COCK SHOCK: Incident happened here

IF YOU HAD ONE LIKE MINE, YOU'D WAVE IT ABOUT!

Drunk yob exposed his willy in street

By COLIN HURST news@sundaysport.co.uk

A DRUNK man who exposed himself in the street bragged to cops: "If you seen the size of my knob, you would be waving it about."

George Smith was nicked after repeatedly spitting on his neighbour during an incident in Glenrothes, Fife, on December 8 last year.

The 26-year-old became involved in an argument with a male neighbour in Markinch, while the man was working on his car.

After shouting and swearing, Smith spat at the neighbour at least three times before the man fell to the floor.

While on the ground, Smith then attempted to rub his body against the prone neighbour.

He also labelled the man a "dick" and his wife a "slag" during the abusive tirade.

Smith, of Markinch, began to leave the area and, while doing so, he dropped his trousers to his knees and grabbed hold of his genitals before "waving" them about.

Police officers were called to the scene and attempted to arrest Smith, who challenged them to a fight and refused to be handcuffed.

He was eventually placed in the rear of a police van, where he continued to spit before being taken to the police station.

During his police interview, he said: "I have a big gash on my lip, arm and shoulders.

"If you seen the size of my knob, you would be waving it about."

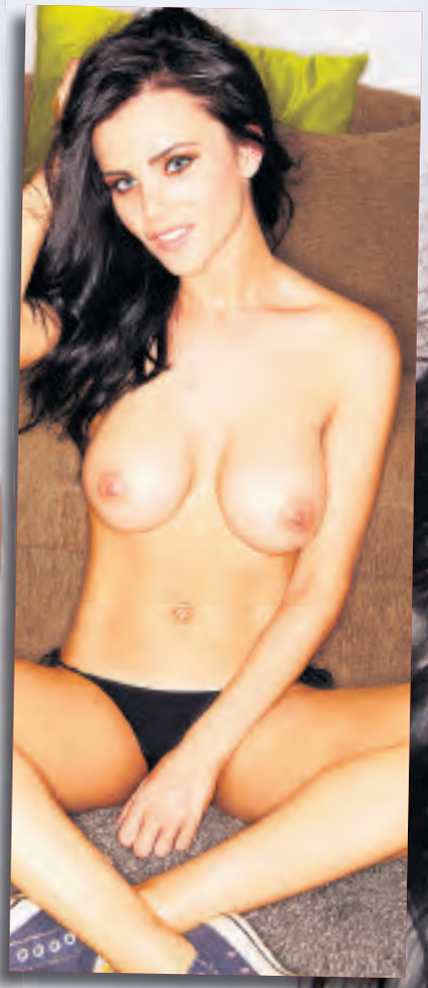

Smith denied having any recollection of the incident and was noted to be heavily under the influence of alcohol at the time.

Appearing at Kirkcaldy Sheriff Court, Smith admitted assaulting his neighbour by spitting on him.

He also admitted behaving in a disorderly manner by exposing himself in the street and to resisting, obstructing or hindering arrest.

Sheriff Grant McCulloch deferred sentence for background reports.

THE WORLD FAMOUS AGONY Page

Dear Sam,

I'M a bouncer at a lap dance bar and I've had a few flings with some of the really fit performers.

I've recently shagged a gorgeous Polish girl. She's blonde and has a perfect body with lovely 32D tits and she's filthy in bed.

The first time I boned her was in the back of my car. It was after I gave her lift home when she said she couldn't invite me in because her boyfriend was there.

So I drove to a local park and had her on the back seat from behind.

She sucked me off for ages before she bent over to spread her cheeks for me.

And just as I was about to come she told me take her up the arse!

The problem is that she has now finished with her fella and wants to move in with me. I don't want that.

SP, Birmingham

Sam says...
IT sounds like a fling to me – tell her you prefer living alone.

Dear Sam,

MY wife, a tasty brunette in her late 30s, likes to shag builders. She gets them to quote for jobs and then offers sex in return.

So far, we've had a conservatory and an extension done for very reasonable prices.

She was up front about her desires, so I don't feel she's cheated on me.

I often ask her to film the romps on her mobile phone – as long as the builders agree, of course – so I can watch them, too.

A couple of weeks ago I watched as a young fella in his 20s boned her.

She sucked him off and then he nailed her in both holes before spunking on her tits.

Problem is I fear she'll leave me one day.

PS, Leeds

Sam says...
MAYBE learn how to be a builder yourself!

Grieving girlfriend is giving me no sex grief

Dear Sam,

I'VE been dating a girl for about a year now. I'm 20 and she's 23, dark-haired, with big tits and a good arse.

At first the sex was great – on our second date she asked to go for a drive and when I'd parked up she went straight to my pants and started playing with my knob.

I was hard in an instant and she took off her top and put my throbbing cock between her lovely boobs and tugged me off until I shot my sticky load everywhere.

She also loved dressing up for sex sessions in stockings and suspenders and being taken from behind, hard and fast.

But her mum died recently and she's gone all miserable and started wearing black all the time – but not her undies, sadly.

We haven't done it for two weeks and my ballbag is bursting. Now I'm seriously thinking of dumping her. What do you think?

JC, Bristol

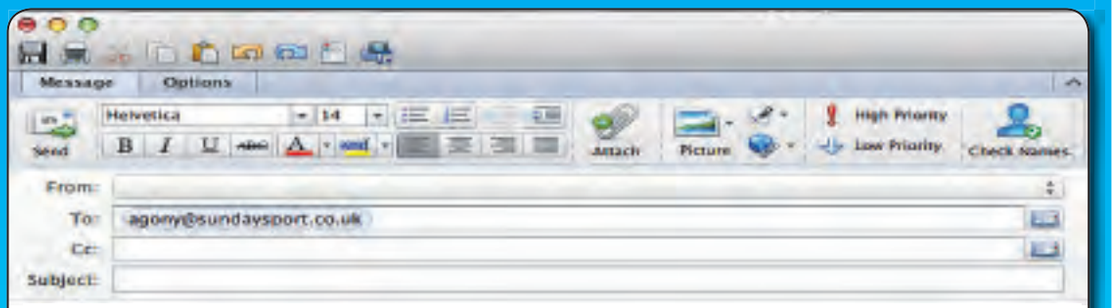

Sam says...

HAVE some sympathy while she grieves, you horrible little shit!

AGONY IS BROUGHT TO YOU IN ASSOCI- ATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Tool factory beauty loves to polish my big wrench

Dear Sam,

I AM a married middle-aged man with two kids and a boring job.

I work in a factory that makes engineering tools that is 95 per cent full of blokes and the few women who work there are nothing to get excited about.

That was until recently, though. There was an old cleaning lady who used to keep our tea room nice and tidy before she retired and her recent replacement is fit as f**k.

We all ogled this new bird when we first saw her. She's about 35, with blonde hair and a very nice figure.

Aroused

On her first day at work, all the lads were flirting with her and paying her compliments and trying it on with her.

But she was having none of it and told them in no uncertain terms to go and f**k themselves – which was funny!

Then one day a couple of weeks ago I went for a cup of tea and was alone until the fit cleaner came in to join me.

We started chatting, she was showing more than usual and I got a cracking glimpse of her lovely arse.

Straight away I became aroused, even more when she turned around and I could see right down her top!

She caught me looking at her and I thought she was going to give me a right mouthful – or punch me in the face!

But amazingly, she moved her hand down to my crotch and felt my bulge.

Then she undid my pants and got down on her knees before she wrapped her lips round my throbbing helmet.

She was an expert at blowjobs – bobbing quickly along the full length of my shaft and even taking my entire knob right down her greedy throat!

I was about to shoot my load when she slipped out of her white panties and invited me to take her from behind.

Since then I've been shagging her at least three times a week!

I really like the cleaner, who is married with one kid, and I am now planning to leave my wife for her.

Should I go for it? Please advise!

HG, Sheffield

Sam says...

IF you honestly think you have any kind of a future together – other than just shagging each other's brains out – then go for it.

Dear Sam,

I'M a 22-year-old girl and I've been working for two months in a large office with four other women – and 20 blokes.

I've managed to shag six of the fellas already. It's not that I'm a slag or anything – I just love sex.

I had my first office jump with the manager when I bonked his brains out on a quiet stairwell.

But the best shag was with a 20-year-old hunk who shafted me doggy-style for a good 30 minutes.

But now the other women call me the office bike. How can I put an end to this tittle-tattle?

SB, Essex

Sam says...

GO easy and be a bit more selective.

Wife eager to nail me – but it hurts!

Dear Sam,

MY missus is well into gardening, so her hands have always been grubby and her nails clipped short.

I've never minded though, because it has never stopped her giving me loads of sex, whenever I feel horny and pester her for a bit.

Many a time I would sneak out into the back garden as the wife was planting bulbs, goose her arse and lead her into the shed.

Once inside I would push her up against the lawn mower and give her a big sloppy kiss as I undid her blouse and scooped her 34F melons out of her bra.

After a bit of licking and sucking of her nips, I would hitch up her long, flowery skirt, take down her drawers and have her right then and there.

But now she is in her 50s she has sadly given up gardening because her back started giving her gyp.

Ripping

To be honest, I thought her back would stop us shagging as often, but it hasn't – we just can't be as adventurous as we used to be.

Most of our lovemaking is now in the missionary position. But I'm still getting serviced five times a week, which isn't too bad for a fella in his 50s.

The problem is, now my missus isn't gardening any more, she has grown her nails long.

She's always passionate on the job, but she's ripping my back to shreds.

I've told her about it, but she says I'm ungrateful and that I should find it horny.

What should I do?

VK, Kent

Sam says...

TAKE your wife to a nail bar for some pampering, and save your back.

Dear Sam,

I AM a 32-year-old bisexual and I've been sleeping with my sister-in-law.

We were at a party and both a bit tipsy when I confessed to her that I liked to make love to women as well as men.

To my surprise, she admitted that she had the same leanings – so we staggered out unnoticed to the garage for a bit of a snog.

Once inside, we locked lips for a while as we felt each other's breasts.

Then I slipped my hand up her skirt and down her panties and eased my fingers into her pussy and massaged her clit.

She was moaning with pleasure and I steadily increased the pace until she had a shuddering orgasm.

Then she shocked me by taking a small vibrator out of her handbag.

I was in heaven as she went to work on my moist pussy and soon I climaxed.

We've been sneaking round to one another's houses since and we are thinking of setting up home together.

But it's not easy for me as she's my husband's sister.

What can I do?

JE, north Yorks

Sam says...

LIKE a strap-on, it's a hard one. Maybe you should keep it secret.

ANNA TAVERNER

By SIMON DEAN
simon@sundaysport.co.uk

WHO could forget the year 2000?

There was the first UK TV series of *Big Brother*, Pokémon-mania and even that Budweiser advert – Wassssaapp!

And it was the first time that blonde bombshell Anna Taverner posed TOPLESS!

The Essex babe started modelling in her late teens and was eventually ranked among the most popular glamour girls of all time.

But Anna, 36, isn't just a pretty face – she has a degree in English, too.

And she's a huge fan of HOT RODS and even owns a Ducati 996 motorbike.

Horny

A few years ago, perky Anna took the plunge and had her all-natural assets boosted to a 32D.

And the cheeky lass, from Colchester, reckons her bigger boobs make her feel really horny!

Anna confessed: "I always thought I had a high sex drive before – so I didn't think a boob job would make any difference.

"But ever since I had them done I just can't get enough!

"My nipples are even more sensitive than they were before – I love having them played with and licked!"

Anna still has plenty of loyal fans who will be delighted to see her appear in *Midweek Sport* again today.

#MY SEX FANTASY

...WITH SAM HUGGINS, 23 32D-24-34 FROM HOVE

‘I’d love to be spanked in his kinky dungeon’

MY favourite and wildest sex fantasy involves whips and chains.

I must confess that I love to be submissive in the bedroom.

In fact I’m currently on the lookout for a man willing to be my MASTER!

I get so turned on by the idea of being a subservient sex slave.

I love a powerful guy to seduce me and take control and pull my hair.

And I lust after being spanked in his kinky sex dungeon.

There would be lots of whips and handcuffs hanging up on the wall and a chair that had restraints to tie up my wrists would be really hot, too.

I’ve always loved rough sex – it’s such an adrenaline rush.

Power is such an aphrodisiac.

I would do exactly as he tells me to – I love being eager to please!

I’m not a pushover in real life, though – fantasy is just an escape.

What happens in the dungeon, stays in the dungeon…

SHOW ME THE HONEY!

WELCOME to your interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to *request@sundaysport.co.uk* telling us why you want to see your favourite girl, then sit back and let us do the rest.

AVA LEWIS

PERSONAL trainer Charlie Briggs would love to work up a sweat with Ava and her gigantic bosoms.

The 30-year-old gym bunny, from Rotherham, South Yorks, would even give Slough beauty Ava free training sessions.

And he'd be more than happy to offer his support to her humongous 30FF sweater-stretchers while she's enjoying a good workout.

He said: "I'm a boob man and I've never seen a bigger pair than Ava's.

"I'd love to hold those melons, although they'd be more than a handful!"

ALEXIS FAWX

CHEF Kevin Bennett would be happy to serve up his meat 'n' two veg to gorgeous glamour girl Alexis Fawx.

Kevin, 44, cooks up a storm in his local pub kitchen in Aberystwyth and he'd give himself to 29-year-old Northampton stunna on a plate.

He said: "Those 32C perky boobs get me going every time.

"If she ever comes to Aberystwyth I'd definitely give her a taste of my sausage!

"I'd serve up sausage for starter, meat and two veg for her main and then she can sample some cream for dessert – she'd have the best meal of her life!"

KATE DARCY

LIFEGUARD Jamie Walker begged us for a picture of his favourite topless babe, Kate.

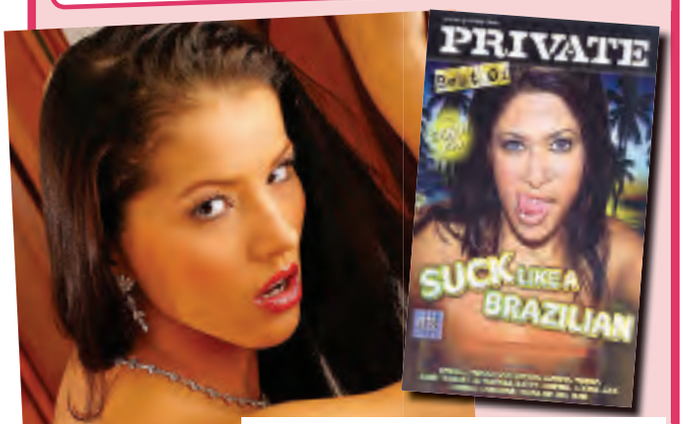

The 28-year-old works at his local pool in Dorset during winter but jets off to America's beaches to keep watch in the summer.

Although he says there's tons of Yank beauties to keep his eye on, it's Hartlepool's 27-year-old Kate and her 32DD boobs that he can't get out of his head.

Jamie said: "I love meeting women and, as a lifeguard, that happens a lot.

"I'd love to give Kate the kiss of life – she's stunning."

HERE'S your chance put the horror of the World Cup behind you in favour of some real Rio talent!

Suck Like A Brazillian may sound like the college course you wish your other half would sign up for but this amazing DVD is a celebration of the art of the BJ as performed by dusky South American lovelies.

It's from the house of Private so you know the girls, the studs and the production values are going to be top but it's the technique on show here that sets it apart.

These girls, led by the stunning Sandy Rio, could get wood from a dead man.

It's generally thought that football is the national sport in Brazil but after sitting through almost three hours of this stunning collection I'm going to suggest that they could also take of the the world at c*** sucking!

We'd love to show you grabs but can't find any without a happy penis front and centre!

BIG THREE ADD UP TO TOP TREBLE

THREE big games in the Premier League this evening and the Chelsea, Man City and Spurs treble pays evens.

Chelsea got out of jail in south Wales when scoring twice late on against Cardiff on Sunday. This was a game full of controversy and the hosts had little luck.

Back at Stamford Bridge the Pensioners should have little problem against a Brighton outfit who struggle for goals on the road and have suffered ten losses.

Albion are still near the foot but have a five point cushion and will be targeting other games as more realistic chances for victory so may very well fold tamely here. I think the 20/21 on a Chelsea win to nil looks a fair price and recommend that.

Man City were quickly out of the blocks at Fulham and leading 2-0 were able to comfortably see the game out without ever hitting top form. They now face Cardiff which is their game in hand over Liverpool.

It would be the shock of the season if the visitors were to win and in all honesty it looks a night of pain ahead for them.

With City such short odds it's tough to find any value but 8/13 to win without conceding should oblige and is more attractive than 1/18 to win!

Tottenham were denied at the death at Liverpool which meant their mini slump continues.

The historic opening game at the new stadium adds extra pressure for the hosts who will be determined to win and visitors Crystal Palace will be up for the challenge.

Handicap

The Eagles have moved away from the drop zone and will be able to play with more freedom and possess plenty of attacking threats.

This should be a bright and open game so expect both teams to have chances but I do expect Spurs to enjoy a successful opening and take the crucial three points. To increase the price on Spurs let's take them with both teams scoring at 2/1.

The game of the night in Scotland looks to be at Ibrox where Rangers host Hearts. The Glasgow side played a long time with only 10 men on Sunday and with Alfredo Morelos absent the visitors can avoid defeat. Take them with a goal start on the handicap at 7/5.

Sunderland were left heartbroken after losing the Checkatrade trophy on Sunday against Portsmouth on penalties.

The Black Cats had played very well, especially in the opening half, and a repeat of that form can see them bounce back at Accrington in League One tonight.

They trail second placed Barnsley by six points but crucially have three games in hand so still have a good chance to secure automatic promotion.

At odds of 19/20 they look a strong wager this evening for sure.

PRESSURE: Brighton boss Chris Hughton

Leave Hazard on the bench!

BRIGHTON BOSS HAPPY IF EDEN HAS ANOTHER REST

BRIGHTON manager Chris Hughton thinks Chelsea should give Eden Hazard another rest.

By PAUL THOMAS

The Belgian was left on the bench against Cardiff at the weekend and the Seagulls gaffer would love to see him there when the teams meet tonight.

Brighton have been sucked into the relegation dogfight thanks to their weekend home defeat against Southampton.

He would love to see the Blues run out at Stamford Bridge without their star man tonight.

Hughton said: "He is, for me, a world-class player. And for how good he was a couple of seasons ago, I think he's even improved on that.

"We've had examples of that at our place this season, and last season where he was outstanding, probably one of the best single performances we've seen at the Amex.

"He's an outstanding individual that can very much win games.

"Would we be grateful if he wasn't playing? Yes.

"But we also know they've got so many good quality players to pick from."

Albion have a five-point cushion ahead of Cardiff who sit in the final relegation slot. But Hughton knows he can't rely on the Bluebirds losing and needs to pick up points quickly.

The Seagulls haven't beaten Chelsea since 1933 so it's a tall order.

Chance

The boss added: "We want a response from our players.

"If you can get a performance at one of the big clubs away from home, it gives you a chance, it keeps you in the game.

"We know that we are reliant on playing well and the opposition playing poorly — anything different to that then the top-six teams are generally always going to win."

Brighton are hoping to have Florin Andone back in the team after the Romanian forward returned to full training.

Chelsea boss Maurizio Sarri could do with a thumping home win to silence his critics in the stands.

There were shouts of "Sarri Out" when the Blues trailed at Cardiff.

With just seven games of the season to go — and a transfer ban this summer — he may just keep his job.

But a home defeat against struggling Brighton could be the final straw for many Chelsea supporters.

WAR BLASTS 'ROBOT' RILEY

Neil rages at boss of referees

NEIL Warnock has stepped up his attack on Premier League officials after Cardiff's controversial defeat against Chelsea.

The Londoners scored a massively offside goal and could have had Antonio Rudiger sent off for a foul when he seemed to be the last man.

Warnock labelled English officials as the worst in the world after the 2-1 loss and is standing by his words. In fact, he has beefed up the criticism and says only one man is to blame — Mike Riley.

He's in charge of the Premier League officials and the Cardiff boss has branded him a "robot".

Warnock boomed: "I don't think Mike Riley and myself are that close because I have spoken about Mike Riley for many, many years and it still amazes me.

"When I see people like Paul Durkin and even Graham Poll, who I had my bust-up with at Arsenal — I thought he was Arsenal's best midfielder that day — but he was a top referee.

"You have people like Mark Clattenburg who are absolutely spot on and for me know the game as well as the laws.

"I think it is criminal that they are not involved. Mark Halsey — I know he has been criticised for certain things — he knew how to handle players and people. I am sure he could have given major advice to some of these referees.

By JOHN ANTHONY

"Whereas Mike, I think everybody knows I have always thought Mike Riley was a manufactured referee from the first time I ever saw him.

"He refereed a game at Hartlepool against me and I don't think he has ever changed since really.

"So it is difficult because he has been manufactured — almost like a robot — and knows everything about the rules but these people I find struggle to understand the game and the human element and everything."

Warnock is critical of the way managers can't speak to referees about their decisions.

'ROBOT' REF: Mike Riley

Backwards

He added: "If you ask them a question they can come up with stats like you have never seen. The stats will be unbelievable in their favour but the common sense thing is not allowed nowadays.

"It is not in the rules. But the best referees in the world still use it. That is where we don't get any help.

"A lot of referees are like Mike Riley and that is why we have gone backwards in that respect and it is disappointing because I think we have enough ex-referees that could give enough education and enough knowledge to make our referees become the best. I think we have gone backwards now these last couple of years."

Cardiff owner Vincent Tan is backing up his manager.

He said: "I fully support Neil on this. The goal was clearly offside.

"We should have had two penalties and a red card for them.

"I believed VAR needs to be implemented as soon as possible."

REDS GO BACK TO FRONT

By ANDY MILLOM

LIVERPOOL defender Joel Matip believes there will be plenty of twists and turns to come in the title race.

The Reds and Manchester City have been swapping places at the top for the past few weeks with the Kopites back on the summit after their last-gasp win against Spurs.

The Blues can go back on top tonight and the Champions will retain their title if they win their remaining matches.

But Liverpool defender Joel Matip thinks neither team will take maximum points between now and May. He said: "I think it will be hard for both teams to play these kind of games without dropping points.

"But we are only looking to our next opponent. That is the most important thing.

"We can only concentrate on the things that we can decide.

"We cannot change how they will play, we focus on our way and our games."

Liverpool have built from the back this season despite losing key defender Joe Gomez for most of the campaign.

Matip has formed a decent partnership with Virgil Van Dijk and the Reds have conceded just 19 games in their 32 league games this season.

That's got a lot to do with the Dutchman who has developed into one of the world's best centre-backs.

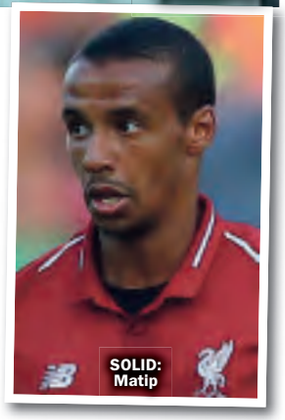

Matip is full of admiration for his partner. He said: "Virgil has had a big impact on the whole defence but it starts at the front, we put pressure on the opponent. It makes life easier for us. The whole team is defending much better."

Van Dijk picked up a knock against Spurs but Matip hopes he will be back in time to take on Southampton on Friday night.

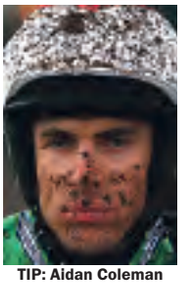

Gomez could also feature on the bench after returning to training following his fractured leg.

Matip added: "I think he is not too bad.

"After a game a few players always have some small injuries but I've heard nothing else, so I think he will be fit."

Tempuran ready to batter his rivals

WINNING POST
WITH BEN MORGAN

WITH Aintree starting tomorrow, today might be a day to take your foot off the pedal and keep your powder dry for the showdown on Merseyside. But I always think, on days like today, there are plenty of opportunities to make some money.

Alastair Ralph has found an opportunity for TEMPURAN (NAP) to get his head back in front after an encouraging display last time. Looking back now, he had no chance in beating Musical Slave on his return as the horse has come out and won again, but he did put up a show for a long way.

That was his first run back after a break and you would be right to be concerned about the bounce factor here. But Ralph has already thought about that and gave his charge a spin in a charity race two weeks ago at Ludlow which would have teed him up nicely for this.

He could go off unfancied due to his profile but I advise punters not to desert him.

Quick

Another horse who bounced back last time was HARAMBE for Alan King. A top notch bumper performer last term, lost his way for a period of time this season but seemed to appreciate the return to a quicker surface and two miles last time out.

He dispatched of a good field that day and his rivals today don't look any stronger. I expect another dominant performance.

I think it is too quick to give up on JOHNBB after one disappointing run last time out at Sandown.

The ground was pretty soft that day and it did catch a few fancied types out. His earlier form stands up to close scrutiny and both Tom Lacey and Aidan Coleman have spoke highly of him in the past.

He looks to have been found a nice opportunity to get his head in front and regain some confidence.

Last week I tipped MAMA AFRICA to go close at Southwell, a course she loves, and she very nearly obliged, going down by a head. She returns to the track seven days later and is expected to go close.

This doesn't look as hot as time and a similar run should suffice.

FIGHT ON FOR PHIL

United, Chelsea and PSG want Cout

IN DEMAND: Phillipe Coutinho

CHELSEA, PSG and Manchester United are all vying to buy Phillipe Coutinho.

By JOHN ANTHONY

The former Liverpool playmaker is enduring a nightmare after his dream move to Barca fell flat.

He has been reduced to a bit-part player at the Nou Camp and the Catalans would be happy to get some of the staggering £120 million they paid Liverpool for his services last summer.

An offer of around £100m would get the deal done with Barca looking to draw a line under the whole saga.

PSG are thought to be in the driving seat with their bottomless transfer budget.

They would also be willing to match any wages offer the Premier League sides make to Coutinho. The player himself is thought to be keen on a return to Liverpool but boss Jurgen Klopp doesn't want him.

It's a different story at Old Trafford where United would like to offload Alexis Sanchez and bring in Coutinho to beef up their forward line.

Chelsea are hoping to get their summer transfer ban lifted so they can join the race. The Bridge Boys believe they have the edge over United because of Coutinho's Liverpool links.

And he would be a good replacement for Eden Hazard should he move to Real Madrid.

The 26-year-old would have to win over the Old Trafford faithful after playing 200 times for the Anfield men and scoring 51 goals in a red shirt.

PSG are likely to lodge the first bid at the end of the season.
